

ENSURE™

Monitoring for steam sterilisation

Think of it as a routine check up for your steriliser.

The **ENSURE™** line of infection control monitoring products confirms your equipment is performing at its peak. It includes a range of products that are simple, easy to use and help to ensure your patients are being kept safe.

Easy

Provide the highest level of sterility assurance with easy-to-read indicators, which clearly identify if an instrument load met the expected parameters for sterilisation.

Safe

Designed to help keep your patients safe.

Capacity

The 10-well incubator allows you to monitor up to 5 sterilisers at one time, providing you with easy-to-read results that show whether sterility has been achieved or not.

Reliable

Meets the most stringent requirements in today's changing regulatory environment.

ENSURE™ Incubator

The ENSURE™ Incubator is a 10-well incubator with an integrated vial crusher and built-in timer for up to five different sterilisers.

Biological Indicators (BI)

Fast, reliable, self-contained indicators provide results in as little as 24 hours. The only cost effective method to ensure effective performance of your steriliser.

The ENSURE BI's are available in a starter kit system that consist of 25 BI's, the incubator and an easy to fill-in log book. The starter kit is the most cost effective, accurate system for monitoring your steam autoclave directly in your office.

Bowie Dick Test (BD) for Steam Penetration

The ENSURE BD test is designed for steam vacuum assisted autoclaves to ensure proper steam penetration for a confirmed sterilisation process. SciCan's BD test is a unique small form factor test that is easy to use and stored. The BD test is available as a starter kit that contains the unique test card holder and 31 test cards.

ENSURE INCUBATOR	
Part #	Description
SCI-BISK-230EU	Ensure system, Starter Kit (25 BI's, incubator, log book)
SCI-BINC-230	Ensure incubator (incubator only)
SCI-BILOG	Ensure biological monitoring system log book

ENSURE BIOLOGICAL INDICATORS (BI)	
Part #	Description
SCI-BI25	Ensure BI's (25 count refill box)
SCI-BI100	Ensure BI's (100 count refill box)

ENSURE BOWIE DICK TEST (BD)	
Part #	Description
SCI-BDSK134V	Ensure Bowie Dick Starter Kit, 134°C (Holder + 31 test cards)
SCI-BD134V Class 2	Ensure Bowie Dick Test Cards (30 count)
